

EDSML APRIL 11 STUDENTS

Dear Students,

The College Admin has decided to give **2 submission dates** to EDSML April 11 students. The first submission date will remain the same as mentioned on the course time table. However, a late submission date has been allowed to give more time to the students to prepare. The late submission date will be **28 September 2011, until 4 pm.**

Please note that those who wish to go for MBA top-up and then for PSW should follow the early submission date as the later submission will only allow them to go for MBA top-up but will miss the opportunity to apply for PSW.

Thank you,
Guildhall Admin
